

Henry's Birthday Liver Bites

Always check with your vet before introducing new foods to your dog

INGREDIENTS

400g liver
1 egg
150g spelt flour
(or wholemeal)

PREP TIME

Prep 15 m
Cook 30

Top Tip

Freeze the treats and take out as you need-dog can eat frozen or they defrost quickly for the walkies treat pouch.

Also add veg or fish oil for extra goodness

DIRECTIONS

Preheat the oven to 180C
Put the liver and egg in a blender or food processor. Whizz until smooth.
In a bowl or in the mixer, combine the flour with the liver mix.
Transfer to moulds, pyramid mat or lined tray
Cook in a preheated oven for about 30 minutes.
Leave to cool and then slice up or pop out of moulds!
