

Beetroot Pawsicles

Frozen Treat

Ingredients

- Keifer yoghurt
- Sweet potato and broccoli baby food
- Beetroot and Keifer blended
- Braided lamb twist for the lolly stick

Method

1. Place Lamb braid chew in the mould
2. Place first ingredient into the Pawsicle Mould- then freeze
3. When frozen add next ingredient then freeze until all layers have been added.

Top Tip: Freeze in between each ingredient so that it does not all blend and mix together to achieve the pattern shown in image
