

# Paw Na Colada

## Toy Filler Treat

### Ingredients

- Yoghurt
- Banana
- Strawberries
- coconut oil

### Method

1. Mash banana with a potato masher or back of a fork until a creamy consistency
2. Stir the strawberry pieces into the banana mixture and then add in the yoghurt - we use unsweetened Greek yoghurt
3. If you are using a toy with a small hole in the bottom you might like to place a small amount of coconut oil (in solid form) at the bottom for a 'stopper'
4. Fill your enrichment toy with the mixture, top with a little coconut oil on the top and place in the freezer
5. Will last in freezer for up to 6 months
